

# CSDCAS: THE CENTRALIZED APPLICATION SERVICE FOR COMMUNICATION SCIENCE AND DISORDERS

## WELCOME TO CSDCAS

To simplify the application process for prospective communication science and disorder students and to facilitate the admissions process for CSD programs, the Council of Academic Programs in Communication Science and Disorders (CAPCSD) is offering the Communications Science and Disorders Centralized Application Service (CSDCAS).

By joining CSDCAS, your program becomes part of a national platform for program promotion and visibility, data collection, and admissions management. Additionally, CSDCAS enables a simplified and streamlined admissions process. CSDCAS is administered through a partnership between CAPCSD and Liaison, the leader in centralized application services (CAS™) for higher education.

## BENEFITS TO CSDCAS PROGRAMS

- Gives CSD programs exposure to a broader national spectrum of applicants
- Enables targeted messaging to applicants through innovative communications tools
- Provides online access to rich applicant data including GPAs, test scores, demographic information, and other academic criteria to conduct analyses to make better admissions decisions
- Supports automatic ranking and scoring of applicants based on customizable criteria
- Frees staff from resource-intensive administrative tasks

## BENEFITS TO CSDCAS APPLICANTS

- Delivers an exceptional applicant experience with an intuitive, online application and applicant support to answer questions quickly
- Enables prospective students to apply to multiple programs using a single online application
- Lets applicants check the status of their applications in real time

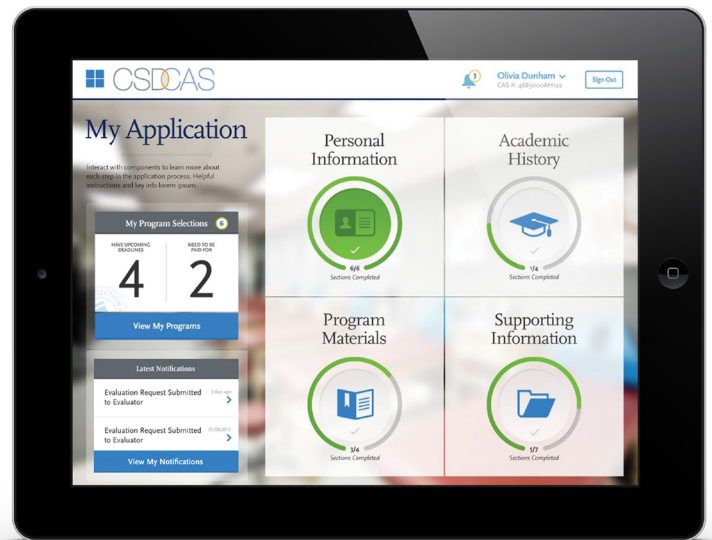

“ Participation in CSDCAS can be invaluable for all CSD programs. Students can devote time and energy to creating a single, comprehensive application. Faculty can evaluate applications anywhere, anytime, and administrators can instantly generate demographic reports to use in program reviews and accreditation. ”

Julie Masterson, PhD  
Associate Provost and Dean  
of the Graduate College  
Missouri State University

## CSDCAS FEATURES

- A national platform – for driving applicant volume
- Cloud-based admissions software – for delivering a better applicant experience
- Analytics tools – for evaluating, selecting, and enrolling best-fit students
- Communications tools – for enabling targeted, personalized, relevant communications to applicants
- Processing, verification, and integration services – so you can focus on strategic priorities.

## APPLICATION FEES

- CSDCAS is voluntary and available at no cost to all CAPCSD member programs.
- Student application fees are:
  - \$125 first designation
  - \$50 each additional

## ABOUT THE COUNCIL OF ACADEMIC PROGRAMS IN COMMUNICATION SCIENCES AND DISORDERS

The Council of Academic Programs in Communication Sciences and Disorders is an organization of more than 250 member programs that offer undergraduate and/or graduate degrees in Communication Science and Disorders (CSD). When founded in 1978, the overall goal was to enhance the quality of education in CSD. CAPCSD has evolved into an organization whose vision is to be the definitive source of leadership, education and advocacy for academic programs in Communication Sciences and Disorders as well as promote quality, accessibility and innovation in higher education.

## ABOUT LIAISON

Liaison helps higher education institutions identify, recruit, and enroll best-fit students with improved outreach, application, and enrollment processes. More than 5,000 programs rely on our admissions management and marketing automation software and services to reach prospective students, streamline administrative tasks, and create exceptional experiences for applicants across the full enrollment cycle—from first interest to first day on campus.
